2. Infrastructure Development

The managing committee focuses on the development of physical infrastructure of all the institutions in the given financial year 2023 – 2024.

- Renovation and expansion of classrooms in all institutions.
- Upgrading of laboratory and sports facilities, providing students with hands-on learning opportunities.
- Construction of new administrative blocks and students common areas.
- Improved IT infrastructure, including smart boards, projectors, and other useful items.

3. Staff Development

Our faculty and staff members are the backbone of our educational institutions. In 2023 – 2024, we continued to invest in the professional growth of our teaching and non-teaching staff through.

- Regular workshops and training sessions.
- Incentives for performance excellence and innovation in teaching.
- Creating a more collaborative and supportive work environment.
- Faculty members participated in various national international seminars, enhancing their teaching methodologies and subject knowledge.

4. Student Achievements

- Our Students has excelled in academic, co-curricular, and extracurricular activities across all institutions.
- Many students of Z.H.T.T. College laheriasarai secured top position as in the past years.

5. Community Engagement

We remain committed to engaging with our local community and giving back to society. This year, we focused on:

- Organizing health and wellness camps for students, staff, and the local community.
- Participating in social outreach programs, including tree plantation drives, blood donation camps, and educational awareness campaigns.
- Strengthening our alumni network to create opportunities for mentorship and collaboration.

6. Financial Overview

The Financial condition of the Trust remains strong. The Managing Committee has worked assiduously to ensure that all financial resources are utilized efficiently for the students and the institutions. The audited account for the year will be presented separately in the Annual General Meeting (AGM) 2023 – 2024.

HEALTH & FAMILY WELFARE PROGRAMME:

As we know that the increased access to equality health care services has been one of the thrust areas of the social development programmes being undertaken in the country technological advances and the extension in the

infrastructure network has resulted in the decline in mortality. We have organized several health awareness programme during the session. This programme was largely attended by the locals and others.

WELFARE PROGRAMME FOR MINORITIES PERSONS:

The Managing Committee of Trust has been reported various cases related to minorities in the districts. The matter was discussed in the managing committee meeting. The matter was resolved positively to open and run to provide facilities to minorities.

RURAL & SANITATION DEVELOPMENT PROGRAMME

Society organized many programmes for rural development and working for upliftment of the life and livelihood of rural India. aims to promote a single window delivery need based services in the area of education, health, nutrition, weather, environment, agriculture and livelihoods to rural women and men.

SKILL DEVELOPMENT PROGRAMME:

Our society organizes vocational training programme for women welfare, child and youths belonging to the informal economy. It is not just an organization but also a confluence of training programme to encourage self-resident and self-employment.

ENVIRONMENTAL AWARENESS:

Environment education refers to the awareness of physical and cultural environment and perceives its relevance for real life situation. The problems and issues are to be identified. The imbalances of environment are to be improved in view of sustainable development.

It is practically not feasible to list all the factors that pollute and degrade our environment and nature. One comes across pollution almost every step in life.

7. Future Plans

Looking ahead, we have several exciting plans for the 2023 – 2024 academic year:

- Introducing new programs in emerging fields.
- To Expand vocational training.
- To enhance our technological infrastructure.
- To provide students with more internship and job opportunities.

8. Conclusion

In short, the Trust made great effort to improve the quality of education as much as possible during the academic year 2023 – 2024. We acknowledge the hard work and dedication of the faculty, students, and staff, as well as the constant support of our members. We look forward to another successful year as we continue our mission of providing high-quality education.

We thank you for your continued support and look forward to your active participation in the growth and development of our institutions.

During the financial year 2023 – 2024 no foreign aid is given to the trust. In the same concern there is no question of utilization.

For and on behalf of the Managing Committee,
