EDUCATION GIVES US A KNOWLEDGE OF THE WORLD AROUND US AND CHANGES IT INTO SOMETHING BETTER. IT DEVELOPS IN US A PERSPECTIVE OF LOOKING AT LIFE. IT HELPS US BUILD OPINIONS AND HAVE POINTS OF VIEW ON THINGS IN LIFE.

Apart from giving the ability to learn a living through professional skills, the outcomes of education are multifarious. Nurturing patriotism, peaceful co-existence, better understanding of nature will help in the harmonious development of the entire nation. Education helps in maturity and intergration of personality. Because of the urgent need of such institution that can provide 'Man Making Education', those associated with Vivekananda Educational Society which is implementing 22 Vidyalayas in and around Chennai, with 35,000 students established the Vivekananda Educational Trust in the year 1991, as a non-profit service organisation. Vivekananda Educational Trust has till now established 7 Vidyalayas, reaching the holistic assimilation of Swami Vivekananda's ideals to 7,000 students, in the peripheral areas of the city of Chennai.

*Children learn as they play.
Most importantly in play children
Learn how to **LEARN***

- Naturally curious minds are exposed conditions that can evoke freedom and expression. Language development, concept formation, socio emotional skills along with fine and gross motor development happen simultaneously through exploring, interrogation and eventually self-discovery.

- This can build confident youngsters who feel free to be creative and motivated to learn.

MUD PLAY IS ABOUT FUN, IT ENGAGES ALL THE SENSES AND SHOULD BE A NORMAL PART OF OUTDOOR PLAY

- Mud play is a basic biological need and this type has many physical, psychological and emotional benefits for children.
- The sensory experience of Mud stimulates child's creativity and sense of adventure.
- Key developmental milestones, such as fine and gross motor skills, sensory awareness, balance and coordination.
- Mud play can reduce childhood Anxiety and stress.
- Building an adventurous spirit through mud play.
- Mud builds a connection with nature.

LAYING HAPPY FOUNDATION WHERE EVERY CHILD CELEBRATES LEARNING IN A FANTASTIC WAY

- Early childhood care and Education makes a positive contribution child's long term development and learning by facilitating, enabling and stimulating environment.
- In this stage, learning is based on the insights and observations **of learners.**

CHILDREN MUST BE TAUGHT HOW TO THINK NOT WHAT TO THINK

- Apart from regular learning in all disciplines the school provides Interactive classroom for creative learning.

- We shape kindergarten activities to develop right brain equally to left brain, in order to develop a creative child.

A NATION'S CULTURE RESIDES IN THE HEART AND IN THE SOUL OF ITS PEOPLE.

- Traditional games are the actual gift of our ancestors.
- Traditional games are chart-topping activities.
- It has been mapped in such a way that one can improve himself physically and Intellectually.
- Improve Hand and Eye co-ordination.
- Exhibiting intrinsic Motivation and persistence.
- Suitable for all Ages.
- Developing cooperative skills.
- Acquiring flexibility and empathy towards others.
- Understanding Rules and Structures.

- Taking the students out of the classroom and into a new environment allows them to absorb, interact, work as a team with other classmates outside of their normal group.
- They make lifelong memories among peers, which is no doubt a fun learning experience in itself.

FIELD TRIPS INCLUDING THOSE THAT ARE VIRTUAL ENABLE MENTORS TO CREATE AS MANY AUTHENTIC EXPERIMENTAL EXPERIENCES AS POSSIBLE. THESE SPATIAL MEMORIES ARE EMBEDDED IN THE BRAIN AND NEED NO REHEARSAL.

- An Inclination for strong motivation and lifelong maintenance of health and fitness.

ONE CHILD, ONE MENTOR, ONE BOOK, ONE PEN CAN CHANGE THE WORLD.

- It is an Initiative to enable the Mentor to understand children even before the academic session starts and it is a collaborative effort, which involves the Parent and the Mentor.
- Our Mentors spend time with each Parent individually in an effort to know the child. Every little detail learnt from the Parent is preserved for the whole academic session.
- Every month, the Mentor adds her observations and records anecdotes that shape the child. These anecdotal are shared with parents every quarter so that the Parents and Mentors work as a team and guide the Child in the right direction.
- At the beginning of the next academic session, the previous class Mentor sits with the new Class Mentor and shares the Child's Progress and personality with her.
- This helps the new grade Mentor gain a Prior understanding of each Pupil's attributes. This productive process continues till they step out of their school life.

**DIGITAL LIBRARY
INFLUENCE EACH AND
EVERY YOUNG MINDS
TO READ MAXIMUM
NUMBER OF BOOKS.**
